General rules:

One competitor can attend all competitions in all categories, but only in different teams. Flying in same category in two different teams is not permitted. The flight order of the competition will be determined randomly. Each team in the event will be given an official 2 minutes training flight before the competition rounds. Mandatory draw will be done for practice round, no other sequence can be used. In case of not flying the mandatory draw in practice round, the first competition round will result 0 point. Video equipment used for scoring must be installed by wind tunnel or by the event organizer. Video or wind tunnel technical failure will result re-flight of the actual round (not for every team) on no extra cost. It is the team responsibility to present the formations clear and visible for the camera. Problems with a competitor's equipment (suit, helmet, etc.) shall not be grounds for the team to request a re-flight. In case a team not showing up in time in the chamber and misses the given order, actual round score will result 0, no re-flight possibility! The clock will start when both of the first entering team member's feet leaves the antechamber floor or any feet touches the net. There is no penalty for touching the net or the glass during the flight. Leaning in, having a hold inside the tunnel is permitted. Linked and separate entrees are both possible. When team members enter separate, time starts when the first person enters the tunnel. Working time is 25 sec for 2wayFS, 35 sec for 4wayFS and 2wayMFS. Flight end flashlight signal will come at 50 seconds. Both grips and docks require stationary contact. Any incorrectly performed or non-judgeable formation, inter will result in zero (0) points. Not visible grips, formations on video will result 0 points. Grips position must be done according to the picture above. Leaving a random or a block from the sequence (intentionally or accidently) will result -3 points (omission). Minimum point for one round could be 0. Mirror images of random formations and whole block sequences are permitted in 4way, not permitted in 2way competitions. Winner will be the team with the highest scores earned after 6 rounds. In case of equal points, the best score in a round will decide. In case of equal best round scores and total scores, a "super final" round must be flown at the time of prize giving ceremony. Dive pool of the super final should be the practice flight drawn. In case of equal score in the super final, time (in tenth of a second) of the last performed formation will decide. In any further situation FAI rules shall be applied. In all questionable matter chief judge will decide. Protest can be made within one hour after publishing the result, to the chief judge in written format. Protest fee: 20.000.HUF. Separate female ranking will be awarded in case of 5 registered teams in any category, otherwise mixed and female teams will be scored together.

Judging, scoring:

Competition will be judged by min. 3 national or international FS judges, according to FAI rules.
